

Notification of Filming in Your Neighborhood

About the Filming

- An exciting new movie is being filmed in your neighborhood.
- Permits for our work in your neighborhood have been approved by The City of Portland and include all filming, parking, and traffic activity.
- We are excited to be filming in your neighborhood and appreciate your cooperation in helping film this movie.

Schedule

- We will be working in your neighborhood for about two weeks. Here's our planned schedule:

Dates	Days	Times	Key Activities
11/23 – 11/25 11/30	Monday – Wednesday Monday	8:00am – 6:00pm	Prep: Workers will load in film equipment & set up
12/1 – 12/3	Tuesday – Thursday	6:00am – 10:00pm	Filming: Crew and all equipment onsite
12/4 12/7 – 12/9	Friday Monday – Wednesday	8:00am – 6:00pm	Wrap: Workers will remove all film equipment

What to expect

- Your homes will be accessible at all times, although there may be a few minutes of delay
- **The biggest disruption to your regular routine will be limited access to some streets**
 - **The chart on the back of this page describes in detail all streets that are affected and what to expect**
 - **Our crew will post 'no parking' signs**
- Heavier than usual truck and passenger van traffic, as well as some disruptions to the regular flow of traffic
- Crew and workers, equipment and activity will be present in the area
- Security & Safety staff to ensure your safety and ours during the period of filming activity
- If you have any concerns with our filming activity, please reach out to one of our contacts to help resolve any issues (see bottom of this page)

If you are curious about Oregon's film industry

- Please feel free to briefly observe our activity from a distance, **at least ½ block away**.
- If crowds assemble or onlookers get too close and in the way of the cameras, our friendly staff will let you know.
- We appreciate your support of our show, but as you will see, we are working at a very fast pace and for long shifts while we are in your neighborhood; you are welcome to watch but please be respectful and do not disrupt our work.
- Remember that we are filming, so anything you see may or may not make it to the actual show on TV. Be mindful of your social media posts so they do not reveal too much of our storyline 😊 Please help us keep the suspense alive for other fans and viewers!

Every effort will be made to minimize disruptions; however filming work will invariably result in some inconvenience. If you have questions or concerns, please call us as soon as you can to discuss solutions. We apologize for any disruptions and thank you for your cooperation in helping Oregonians film.
